Re: Second Quarterly *Williams* Review Report
Fiscal Year 2019-2020

Dear President Kaplan and Superintendent Evans:

As a result of the *Williams* Settlement, Education Code section 1240 requires that county offices of education visit schools in their county that ranked in deciles 1 to 3 on the 2012 Base Academic Performance Index (API) (*Williams* schools). Education Code section 1240(c)(2)(G) requires the county superintendent of schools to send quarterly reports regarding the results of school site visits and reviews conducted each quarter to the governing boards of the school districts with *Williams* schools.¹ The results can then be made public at a regularly scheduled and noticed meeting of each district's governing board.

This letter serves as the 2019-2020 Second Quarterly Report for the Natomas Unified School District (District).

Instructional Materials and Facilities

During the second quarter of Fiscal Year (FY) 2019-2020, Sacramento County Office of Education (SCOE) staff did not conduct any site reviews of instructional materials or facilities.

¹ The *Williams* schools for the Natomas Unified School District are as follows: American Lakes Elementary School; Bannon Creek Elementary School; Jefferson Elementary School; Natomas High School; Natomas Middle School; and Two Rivers Elementary School.

School Accountability Report Card

Please be reminded that pursuant to Education Code section 35256(c), the School Accountability Report Card (SARC) is required to be published by February 1 of each year. Therefore, SCOE will review the District's SARCs beginning in the third quarter of FY 2019-2020 to determine the accuracy of the District's reports regarding the availability of sufficient textbooks and instructional materials, and the safety, cleanliness, and adequacy of school facilities.

During the quarter ending December 31, 2019, SCOE conducted no SARC reviews.

Teacher Vacancies and Misassignments

The decile 1 to 3 schools report from the Commission on Teacher Credentialing will not be available until the end of the fourth quarter of FY 2019-2020. As such, during the second quarter, SCOE conducted no reviews of Teacher Vacancies and Misassignments.

Uniform Complaint Procedure

Finally, according to the District's report to SCOE, there was one complaint filed in the District under the Uniform Complaint Procedure in the second quarter regarding a teacher vacancy. The complaint filed was for a chemistry teacher vacancy at Inderkum High School. The District reported the position has been filled, and the issue resolved.

We are looking forward to working with your District for the remainder of the year. If you have any questions regarding the above report, please contact Elizabeth Linton, Associate General Counsel at (916) 228-2755 or by email at elinton@scoe.net.

Sincerely,

David W. Gordon
Sacramento County Superintendent of Schools
